Material samples

Palette

Rammed earth #D2A877	Ochre mud #C98A3E	Travertine #E8D9C0	Dark timber #5A3520
Brushed brass #B8913F	Sadu red #8E2A22	Sadu black #1F1A17	Palm green #6E7F45

Materials

Walls — layered rammed earth and hand-trowelled mud plaster

Floors & paving — honed travertine and natural limestone

Timber — dark wood beams, doors and screens carved with Najdi triangles

Metal — brushed brass handles, lanterns and coffee ware; slim bronze glazing frames

Textiles — natural linen with Sadu weaving in red and black

Landscape — date palms, sidr / acacia shade trees, desert grasses, natural lawn

Style principles

Najdi geometry — triangle motifs on parapets, doors, beams and screens

Deep, shaded openings — small windows outside, big glass only toward courtyards and lawn

Warm grazing light — hidden LED washes on earth walls; lanterns, never bright fittings

Water & shade — courtyards with sāqiya channels, palms and quiet seating

Hidden comfort — glazing, cooling and solar present but never on show
